Dear Mr. Lundin:

We have completed our review of your quality manual, and found that it meets the new requirements of Title 14, Code of Federal Regulations, part 21, subpart K. The FAA approves the submitted manual with an effective date of 4/16/2011 (18-month compliance date or later). The FAA reserves the right to require changes, additions, or clarifications that may become necessary as a result of subsequent inspections and/or evaluations.

The FAA will validate the submitted quality manual for compliance to the new requirements at your facility's next scheduled certificate management activity.

Please retain this notification on file as evidence of FAA's approval of your quality manual.
